CURRICULUM/SYLLABUS

Teachers are guided by the Nagaland Government School Curriculum especially for Classes 1 to 8. The school, nevertheless, has its own selection of the course Text & Syllabus.

Christian Scripture and moral instruction form part of the regular curriculum. Students are advised to learn to read and write their own vernacular.

There are separate chapel exercises for different age groups every morning except on Mondays and Saturdays.

EXAMINATION & PROMOTION

As per the SCERT directive, the school year is divided into three and at the end of each, terminal examination is conducted for 60 marks

and 40 mark is internally assessed thereby, at the end of the year, a student is evaluated for 300 marks in each subject.

All prescribed text books or courses are covered by arranging them into three study programmes.

Pre-Primary Class A & B will be evaluated on an on-going assessment for 60 marks in the form of weekly test, gross & fine motor skill development, personal aptitude etc. through out the year. In addition, there will be two Summative Assessment Tests (Mid Term & Final Term), conducted in all subjects for 40 marks each. Promotion for all students from class A to 10 is determined by Continuous Comprehensive Evaluation (CCE). Promotion to a higher class will depend on the students' steady progress throughout the year, and his/her ability to cope with a higher class. Monthly internal & weekly assessments will be conducted on all subjects to mark the students' performance continuously.

TEXT BOOKS

The student Book Room, in the School compound will supply Text Books & Exercise copies for Classes A – 8, and only Exercise copies for classes 9 - 10. Some text books and copies of the primary section are kept in the school shelves for daily work and to avoid soiling.

FACILITIES AND SERVICES

CCTV SURVEILLANCE AND SECURITY DIVISION

Close circuit television system keeps track of all the movements within the school campus. Cameras have been installed in all 'action zones' including the classrooms.

Security personnels man the main school gate; around the clock and monitor the entry and exit of both vehicles and people.

SMART BOARD TECHNOLOGY

The school in collaboration with the Tata Classedge group has installed smart boards in the classrooms thus facilitating students to explore more and gain added knowledge in a techno-savvy classroom environment.

TRANSPORTATION AND ELECTRICITY

School buses ease the need of the students as in field trips, club outings, events and other off-campus visits. There is also the daily ferrying of students covering different routes. 24x7 electricity backup is provided by a 100 kw generator installed near the school gate.

CAREER GUIDANCE AND COUNSELLING CELL

These are two active facets of the school's academic programme, wherein trained teacher counselors work closely on the students' upkeep and, career guidance and opportunities are taken up by the Career CliniQ group who are involved in skills and vocational training, organizing workshops and seminars, related to students career.

CHSS is Nagaland's 1st Career Smart School

SMS/OFFICE MANAGEMENT SYSTEM

Parents' worries are eased as the school informs parents/students about unscheduled holidays, events, school circulars, special announcements etc. This information disbursement system

will communicate with students and their families, keeping them updated on any school matters at all times.

CANTEEN PROVISIONS

You may ask, “What’s on the menu?” The school canteens provide food that is healthy, that which appeals to the children’s taste buds and those that offer important lessons about the value of good nutrition. Water purifiers for enjoying cool, safe and pure water have been installed in all sections of the school building.

BOYS’ HOSTEL

CHSS Boys’ Hostel facilitates a homely but a regimented stay for the students with special attention to their academic, physical and spiritual

growth. The wards will get to experience and partake of the modern amenities and healthy food in the mess.

FIRST AID MEDICAL UNIT

A qualified medical attendant is available at all working hours to nurse the sick or the injured. The School also carries out awareness campaigns on the seasonal outbreak of diseases and preventive measures are adopted.

SCHOOL FOR DIFFERENTLY-ABLED

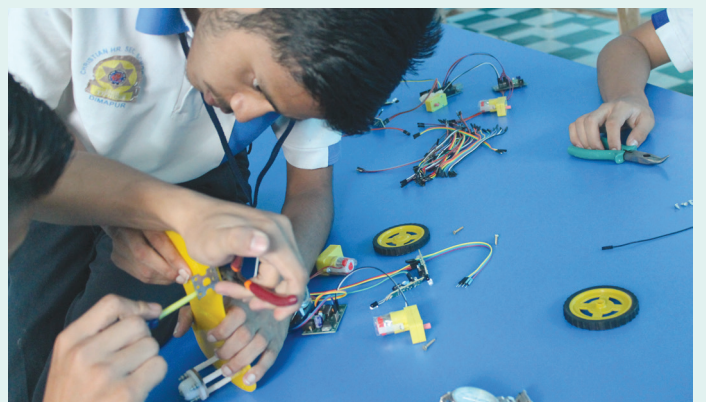

Attached to the school, a Special School is being run for children who require special attention (mental or physical). Trained and experienced teachers take care of such children. A liberalised scheme of study and class routine is followed where individual attention is given to differently-abled children considering individual need. Anyone who are interested to know more about can visit the school office for the same.

Atal Tinkering Lab. (ATAL) (Robotics and Electronics Lab)

ATAL is Project of central government of India to create an environment of scientific temperament, innovation, creativity among Indian students.
